EXPERIENCE

Flash Website Designer, NCMS, Ann Arbor, MI

2002-2004

Gained valuable knowledge of design for the web in a corporate environment. Led Flash website development for various projects in E-Learning Division. Consistently met deadlines and successfully maintained completed websites.

Studio Assistant, Loveleaf Press, Chicago, IL

2004-2005

Executed various tasks for an independent print and design studio, including letterpress printing, illustration and design, and other studio odd-jobs. Contributed to successful design solutions, quick turn-around time on projects, and a fun studio atmosphere. Gained valuable insight into running a small independent business and working with a constantly fluctuating client-base.

Thrion Project, thrionproject.com

2005-2007

Co-started independent online printed apparel business. Designed website, flyers, business cards, etc.; designing and new shirts, bags, and other apparel for men and women; self-taught screen printing.

Artist's Assistant for Ivan Brunetti

Spring 2007

Production and editorial assistance on projects such as:

- "Cartooning: Philosophy and Practice" booklet, a supplement to Comic Art No. 9
- "An Anthology of Graphic Fiction, Cartoons, and True Stories, Volume 2" to be published by Yale University Press in Fall 2008
- Assistance with presentations for lectures on cartooning

Freelance Illustration & Design

Includes poster and flyer illustration, logo and business card design, illustration and design for DVD and CD packaging, website design and creation, and various spot illustration. Some recent jobs include:

- **BLERDS.com** - Logo and image design for website, internet ads, flyers, etc.
- **Spot O' Tea** - Logo for independent tea shop in Birmingham, MI
- **Robert Crown Center for Health Education** - Designed and illustrated 24-page workbook, poster and illustrations for slide presentations for the *Express Yourself!* body image campaign for 6th graders.
- **Economic Awareness Council** - Illustration of cartoon safe character for children's program.

EDUCATION

Columbia College Chicago, Chicago, IL
Bachelor of Fine Arts - Concentration in Illustration
